MPV Ranked for Second Consecutive Year in Healthcare Informatics Magazine "Top 100"

AUSTIN, Texas. – June 23, 2008 – Medical Present Value, Inc. (MPV), a leading provider of financial tools and expert services to manage payor contracts and audit reimbursement, today announced that the company placed in *Healthcare Informatics'* top 100 listing.

The list, which is compiled annually, ranks public and private healthcare IT companies based on the previous year's revenue. This marks the second consecutive year that MPV has been listed among the top 100 performing healthcare IT companies.

The companies included in the *Healthcare Informatics* top 100 represent a broad range of specializations within the healthcare IT sector and accounted for a total of \$22 billion in healthcare IT revenue for 2007.

"We are excited again to be included among some of the most respected companies in healthcare IT," said Tom Stampiglia, CEO of MPV. "Our ranking and overall success demonstrates that physician practices understand the importance of effectively managing their payor contracts and are taking important steps to maximize their reimbursement and revenue cycle processes. MPV's year-over-year growth speaks to the dedication of our valued clients and hard-working associates."

About MPV

MPV provides medical groups with financial tools and expert consultative services to monitor payor performance; verify reimbursement; reduce registration, coding and posting errors; negotiate better contracts; and improve overall cash flow. Serving more than 28,000 physicians nationwide, MPV gives clients better control of their payor contracts, improves workflow efficiency and strengthens the bottom line.
